

How to upload Personal Webpages for Faculty & PHD Students

Kindly create the WebPages and upload them as per the procedure given below.

1. ssh to www.iiitd.edu.in with your [Domain username](#)
For Example `ssh <helpdesk@iiitd.edu.in>@www.iiitd.edu.in`
3. Enter your Domain password (Now you are remotely logged in to the server)
4. Create a folder public_html
`mkdir public_html`
5. Upload your webpage files into the public_html folder
6. You're done! You can view your webpages at <http://www.iiitd.edu.in/~helpdesk>
